

Wood Sourcing and FSC® Information

The mark of responsible forestry

All Arauco North America facilities are certified by the Rainforest Alliance to the Forest Stewardship Council® Chain-of-Custody standards and may help achieve credit in environmental programs where use of certified wood is recognized, such as the U.S. and Canadian Green Building Council (USGBC, CaGBC) Leadership in Energy & Environmental Design (LEED), and Green Building Initiative’s (GBI) Green Globes certification.

FSC Certificate Code: RA-COC-000444

FSC Claim: FSC Mix Credit, under the credit system (not percentage).

Percent FSC CoC Material in FSC Mix Credit Products: Equivalent to 100% under the credit system. The quantity of FSC certified product sold is not more than can be produced from the quantity of FSC certified inputs we purchase. Please note that in order to receive FSC certified materials, they must be specified as such at time of ordering.
